

Reopening Plan/Schedule

Summer Trimester will begin on May 4, 2020

1. Practical Nursing Supplemental Courses will begin as online courses on **May 4, 2020** and will remain online through the end of the summer 2020 trimester.
2. For regular preparatory programs, on-ground instruction to include skills/labs will be offered in small groups (9 or less) beginning **May 18, 2020**. Preference will be given to students who need skills/labs to complete graduation requirements, or by instructor request. Each student will receive communication from his or her instructor regarding the days each student is scheduled to come to campus

***TCAT Shelbyville will continue to monitor the status of the COVID-19 pandemic and determine if the reopening schedule will need to be adjusted or modified.

Required Safety Precautions for Students

- All students allowed on campus will be required to complete student questionnaire.
- All students must adhere to social distancing.
- All students must adhere to hand washing requirements.
- All students will wear mandatory protective equipment in lab areas.
- All students must adhere to all CDC and the Tennessee Department of Health guidelines.

Institution Safety Precautions

- Deep cleaning will be performed at all locations prior to May 4, 2020.
- Daily cleaning will occur throughout the day and after all student interactions from skills/labs training.
- All faculty and staff must adhere to social distancing.
- All faculty and staff must adhere to continual hand washing requirements.
- Protective equipment will be worn by all faculty, staff, and students when needed. Each campus will have a supply of disposable masks. Students, faculty, and staff may wear the furnished masks or one of their own masks.
