

TENNESSEE COLLEGE  
OF APPLIED TECHNOLOGY  
—SHELBYVILLE—

May 14, 2021

Dear TCAT Shelbyville Student,

I wish to let you know that our institutional COVID protocol will be the following starting today:

- Per new CDC guidelines, those that have been fully vaccinated are not required to wear a mask inside or outside of our buildings.
- Per new CDC guidelines, those that have not been fully vaccinated are encouraged to wear a mask inside or outside of our building.
- For more information about these new protocol steps, please refer to the CDC guidelines [When You've Been Fully Vaccinated](#)

In addition, we will no longer track COVID exposures and positive cases. Each individual is responsible for following CDC guidelines if he or she has been exposed to COVID or test positive for COVID. This also means the student is no longer required to contact our COVID clerk, Kim Klouser, with this information.

As always, the faculty and staff at TCAT Shelbyville are here if you need us.

#TCATShelbyvilleStrong

Please take care and be safe,

*President Monks*
